Contacting AAI – delayed response due to high volume of requests & COVID-19 restrictions

The Authority is currently receiving a large volume of contacts arising from the publication of the report of the Mother & Baby Homes Commission of Investigation.

In addition, although our offices are open, on-site attendance by staff is reduced due to COVID-19 restrictions.

We will acknowledge all correspondence and inquiries and ask for patience in providing a full response to every request.

Thank you for contacting AAI. Please check our website for answers to any questions you may have about adoption issues.
